## Where does meat come from? (K-2)

Draw lines to match the animal with the meat.

lamb

pig

beef cow

chicken

fish

hamburger

lamb chop

drumstick

ham

fish fillet

Other things come from animals too. Here's one:

Which animal does it come from?

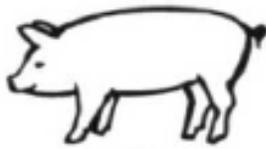

# Activity Page- Answer Key

## Where does meat come from? (K-2)

Draw lines to match the animal with the meat.

lamb

pig

beef cow

chicken

fish

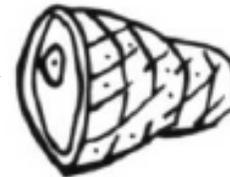

hamburger

lamb chop

drumstick

ham

fish fillet

Other things come from animals too. Here's one:

Which animal does it come from? Footballs are covered with leather from a cow. During earlier times, a pig's bladder from a butcher shop was used which is where the term "pigskin" came from.
