

Poultry Farm Report Cards

**Oregon Agriculture in the
Classroom Foundation**

Healthy chickens!

Chickens are well fed and happy.
They are strong and healthy, and
egg production is up!

Will the farm gain eggs or lose
both eggs and chickens?

Wow! 6 more eggs!

Healthy chickens!

Will the farm gain eggs or lose both eggs and chickens?

Wow! 6 more eggs!

Extremely cold weather

It's been colder than usual and the chickens aren't laying as many eggs. Farmers notice a drop in egg collection.

Will the farm gain eggs or lose both eggs and chickens?

D'oh! 2 less eggs!

Extremely cold weather

It's been colder than usual and the chickens aren't laying as many eggs. Farmers notice a drop in egg collection.

Will the farm gain eggs or lose both eggs and chickens?

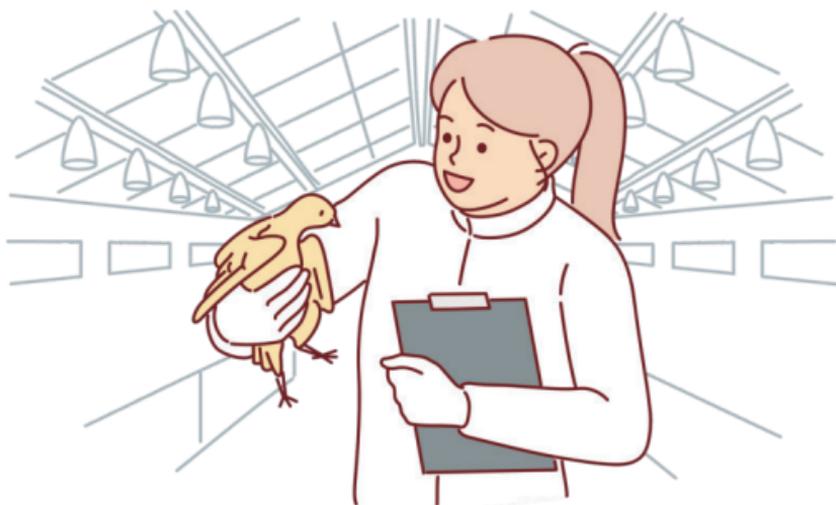

D'oh! 2 less eggs!

Mild illness

Some chickens feel a little sick today.
The disease cannot be passed to other chickens, but they are taking a break from laying eggs to recover.
